

FROM STARTUP TO SUCCESS

Our mission is to help you get started and succeed in the home inspection industry.

American Home Inspectors Training has been the leader in home inspection training since 1993. At AHIT, our mission is to provide you with industry-leading training and support to help you to realize your full potential in the home inspection industry. Whether your goal is to start and operate your own successful home inspection business or to be a contributor in an established home inspection company, we are here to help you, from your initial conversation with us, through the duration of your training, to the end of your home inspection career.

Obtaining a professional home inspection is an important step for a home-buyer. As an AHIT Certified Home Inspector, you will have the ability to inspect a home thoroughly and professionally, giving the home-buyer piece of mind and the information needed to make an informed decision.

Home inspection training, done right.

Our step-by-step home inspection training, marketing, and technical support services provide you with the knowledge and tools you need to grow your home inspection business.
